The HPH Letter of Intent

To join HPH or renew HPH membership, the Letter of Intent must be filled out. This Letter of Intent can be found and filled out on the following pages.

New HPH Members

Any new institution applying for membership must fill out and submit the HPH Letter of Intent. This letter affirms the commitment of your hospital or health service to abide by the HPH Constitution and aim to implement health-promoting activities, strategies and policies.

Renewing HPH Members

All HPH Members must renew their membership every 4 years by filling out this document again. This re-affirms the commitment to HPH and also it allows the Secretariat to note any changes in staff, contact details etc.

Letter of Intent

This Letter of Intent, signed by management, is a declaration that the member hospital or health service will abide by the HPH Constitution of the International Network of Health Promoting Hospitals and Health Services (HPH) and implement health promoting activities according to the HPH Constitution and the strategies and policies as defined in the WHO documents below.

By joining the International HPH Network the hospital/health service commits itself to:

- Endorse the principles of WHO documents and declarations on HPH; i.e. Ottawa Charter, Budapest and Vienna declarations and intend to implement the principles, strategies and policies of HPH; using WHO HP Standards and/or corresponding national HPH standards/indicators;
- Develop a written policy for health promotion and support the implementation of a smoke free hospital / health service as key action area;
- Develop and evaluate a HPH action plan to support the introduction of health promotion into the culture of the hospital / health service during the four years period of designation;
- Pay the annual contribution fee for the coordination of the International HPH Network;
- Identify a hospital coordinator / health service coordinator for the coordination of HPH development and activity;
- Share information and experiences on national and international level, i.e. HPH development, models of good practice (projects) and the implementation of standards/indicators;
- Control the hospital / health service information online at <http://www.hphnet.org/> and update the data periodically upon request.

Additional National / Regional membership criteria, if applicable:

The Letter of Intent shall come into force on the date of signature, and will run for a period of four (4) years from that date.
